

## Bulk Order Return Guide

Exemptions to the \$75 per person/per week cash limit at SARCAN are available for bulk order customers such as bottle drives, restaurants and bars, businesses, schools, and special occasions like concerts, sporting events, and weddings.

Bulk order customers can either set up an appointment with their depot, or use Drop & Go. To learn more about setting up a Drop & Go account, or to use Drop & Go as an ongoing fundraiser for your nonprofit organization, visit [sarc.ca](https://sarc.ca) or inquire about it at your depot.
